

Eating A Carrot

LYRICS

I love a carrot, a juicy carrot,
Just like the donkey it makes me ha-ha-ha-ppy.
This is a carrot c-c-c-carrot,
I wonder if it helps me see a rainbow?

This is a Monkey, eating a carrot, just like the
Donkey...it makes her ha-ha-ha-ppy.
This is a Monkey, m-m-m-Monkey,
I wonder if it helps her see a Rainbow?

This is a Parrot, eating a carrot, just like the
Donkey...it makes him ha-ha-ha-ppy.
This is a Parrot, p-p-p-Parrot,
I wonder if it helps him see a Rainbow?

This is a Rabbit, eating a carrot, just like a Donkey it
makes him ha-ha-ha-ppy.
This is a Rabbit, ra-ra-ra-bbit,
I wonder if it helps him see a Rainbow?

This is a Queen Bee, eating a carrot, just like a
Donkey it makes her ha-ha-ha-ppy.
This is a Queen Bee, qua-qua-qua-queen bee,
I wonder if it helps her see a Rainbow?

Hello MBB Carrot Eaters,

Different balloon animals feature in the shows and it could be any animal at all pops up in the 'Eating a Carrot' song!

Maybe an Aardvark, Bobcat, Camel, Donkey, Emu, Ferret, Gecko, Hedgehog, Insect, Jewelfish, Kitten, Lizard, Monkey, Numbat, Otter, Parrot, Queen Bee, Rabbit, Seahorse, Tiger, Urchin, Viper, Warthog, Yak, or even a Zebra, who knows.

The 'Eating a Carrot' song challenge is to find names of other animals we can sing about. You'll notice I've chosen animal names that are mainly made up of two syllables, that's **two sounds** like this:

Aard-vark

Bob-cat

Ca-mel

Don-key

E-mu

Fe-rret

Ge-cko

Hedge-hog

In-sect

Jewel-fish

Kit-ten

Li-zard

Mon-key

Num-bat (marsupial)

O-tter

Pa-rrot

Queen Bee

Ra-bbit

Sea-horse

Ti-ger

Ur-chin

Vi-per

Wart-hog

Ya-ak (this one is different, it's really one syllable or sound but I could not find an animal name with two). See if you can find one and do let us know what it is. I did find Ya-pok a small mammal! Be creative what can you find?

**This is a ___?___ eating a carrot,
just like a Donkey it makes him ha-ha-ha-ppy.**

**This is a ___?___ ?-?-?-___?___,
I wonder if it helps him see a Rainbow?**

Happy Singing,
